**Suzanne Collins : Catching Fire |Hunger Games|2** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Catching Fire |Hunger Games|2:

169 of 180 people found the following review helpful. The book came packaged nicely and arrived on time By Michael Tatay The book came packaged nicely and arrived on time. As a huge Hunger Games fan, I was extremely excited to

receive this book. I've been completely obsessed with Hunger Games for several years, never miss any books or movies of it. The authors imagination is amazing which draw me into the story so completely that it's hard to put the book down. Trust me, you won't be disappointed. All in all, this is a really good book which are a great gift for every Hunger Games fan! 1 of 1 people found the following review helpful. Amazing book, you will love it!!!! By autie2.0 Great book. I could not put it down. You will get very attached to the characters and involved in the story line. I almost wanted to read the series again when I finished the last book. Definitely worth the time, even if you have seen the movies already. The books go into so much detail developing the characters that you get personally attached to them. Each one has their own quirks and oddities that make you fall in love with them. You honestly feel like they are friends. There is just the right amount of comic relief mixed in with the darker parts of the story line to keep you from getting really angry at the situations in the book, but nowhere near enough to even be slightly cheesy. And the descriptions of the people and places are so well written, you easily come up with a mental picture of the whole story. This book sucks you in right from the beginning and won't let you back out. There were nights I literally stayed up until 4am to find out what happened next. 1 of 1 people found the following review helpful. Hunger Games-Suzanne Collins excellent By Blue Jacket Suzanne Collins is the author of an action, and at times violent and gruesome book, the Hunger Games. Ms. Collins writes a truly exceptional book, filled with fear, heroism, trust and a very very good story. Set in the future after a devastated war. The capital stages the hunger games to keep the outlying areas in line, 24 participants all children of varying ages, participate in trying to survive while the other 23 are killed by other participants. This is something they have to do or their villages will face sever punishment Katniss Everdeen picked from district 12 is a very powerful character in this story. This story has a very good message about friendship, trust, love?, strength, and determination. I also loved the movie, Jennifer Lawrence is excellent in the lead role, no one could have done a better job, she was made for this role.

Suzanne Collins continues the amazing story of Katniss Everdeen in the phenomenal Hunger Games trilogy. Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge.

From School Library Journal Starred . Gr 7 Up--Every year in Panem, the dystopic nation that exists where the U.S. used to be, the Capitol holds a televised tournament in which two teen "tributes" from each of the surrounding districts fight a gruesome battle to the death. In *The Hunger Games*, Katniss Everdeen and Peeta Mellark, the tributes from impoverished District Twelve, thwarted the Gamemakers, forcing them to let both teens survive. In this rabidly anticipated sequel, Katniss, again the narrator, returns home to find herself more the center of attention than ever. The sinister President Snow surprises her with a visit, and Katniss's fear when Snow meets with her alone is both palpable and justified. *Catching Fire* is divided into three parts: Katniss and Peeta's mandatory Victory Tour through the districts, preparations for the 75th Annual Hunger Games, and a truncated version of the Games themselves. Slower paced than its predecessor, this sequel explores the nation of Panem: its power structure, rumors of a secret district, and a spreading rebellion, ignited by Katniss and Peeta's subversive victory. Katniss also deepens as a character. Though initially bewildered by the attention paid to her, she comes almost to embrace her status as the rebels symbolic leader. Though more of the story takes place outside the arena than within, this sequel has enough action to please Hunger Games fans and leaves enough questions tantalizingly unanswered for readers to be desperate for the next installment. From *Bookmarks Magazine* ers were happy to report that the Hunger Games trilogy is alive and well, and all looked forward to the third book in the series after this one's stunning conclusion. But they disagreed over whether *Catching Fire* was as good as the original book *Hunger Games* or should be viewed as somewhat of a "sophomore slump." Several critics who remained unconvinced by Katniss's romantic dilemma made unfavorable comparisons to the human-vampire-werewolf love triangle in Stephenie Meyer's *Twilight* series. But most reviewers felt that *Catching Fire* was still a thrill because Collins replicated her initial success at balancing action, violence, and heroism in a way that will enthrall young readers without giving them (too many) nightmares. Praise for *The Hunger Games* #1 New York Times Bestseller A Publishers Weekly Bestseller A Horn Book Fanfare A Publishers Weekly Best Book of 2008 A School Library Journal Best Book of 2008 A Booklist Editors' Choice A New York Times Notable Book of 2008 A Kirkus Best Book of 2008 A New York Times Book Editors' Choice A USA Today Bestseller "[The Hunger Games] is a violent, jarring, speed-rap of a novel that generates nearly constant suspense... I couldn't stop reading." - Stephen King, *Entertainment Tonight* "I was so obsessed with this book that I had to take it with me out to dinner and hide it under the edge of the table so I wouldn't have to stop reading... *The Hunger Games* is amazing." - Stephanie Meyer "[The Hunger Games] is a great book, and very thought-provoking. Read this along with your teen and discuss it." - Charlaine Harris "Brilliantly plotted and perfectly paced." - John Green, *New York Times Book* "A plot-driven blend

of suspense, science fiction, and romance." - USA Today "Enthralling, imaginative and creepy." - Los Angeles Times
